## Program Abstract

We've been anticipating and dreading possible cuts to our MCR dollars for several years, knowing one day we might be trapped in an uncomfortable situation we cannot escape. Unfortunately, these cuts may be occurring in the near future. Many agencies face numerous costly and time consuming audits (MACs, RACs, ZPICs and OIGs). Join Jennifer as she explains how accurate documentation can be your key to facing and avoiding unwanted and unexpected audits. Additionally, we will discuss the PPS Updates and Changes effective for 2014.

## Program Objectives

At the completion of this workshop, the participant will be able to:

- Discuss Medicare eligibility, F2F documentation, homebound status and care that are reasonable and necessary.
- Recognize OASIS responses that contribute to reimbursement.
- Identify how to use documentation to support medical necessity.
- Discuss the PPS Updates for CY 2014.

## Target Audience

Owners, Administrators, DONs, Clinical and Coding Staff

## CNE Credit

Through the Kansas State Nurses Association, KHCA has applied for 7.8 contact hours of credit applicable for RN and LPN relicensure.

## Program Abstract

The 2013 Final Rule for Home Health states that health care will transition to the ICD-10 CM coding system on Oct. 1, 2014. Considering the efforts contributing to this project's completion, the 2014 fall season is quickly approaching. Join Jennifer as she provides helpful tips in protecting your agency from the surge of ICD-10. Learn how to properly prepare your agency for a successful ICD-10 implementation and ultimately avoid hazardous coding conditions. In addition, the final hour (optional) will be a discussion of some of the Hospice coding changes for 2014.

## Program Objectives

At the completion of this workshop, the participant will be able to:

- Discuss the benefits of converting to the ICD-10 coding system.
- Recognize similarities and differences between ICD-9 and ICD-10.
- Identify features found in ICD-10.
- Recognize ICD guidelines and case-mix changes effective Jan 2014.
- Discuss coding guidelines for Hospice effective Jan 2014.
