# A Special Invitation

**September 27 and 28, 2023**

**DoubleTree by Hilton, Lawrence, Kansas**

The KHCHA Annual Conference is the major home care and hospice event in Kansas. With the ongoing changes in the home health and hospice industry, providers depend on the information made available at our Annual Conference, so we expect a large number of participants from agencies across the state. It also provides a great opportunity for networking and fun. We have tried to incorporate a number of options that will give you direct access to our participants. Please consider which option will best meet your needs and priorities.

## Exhibits

The exhibit registration fee is for two days—see exhibitor schedule—and includes use of a 6-foot by 30-inch draped table with two chairs. Access to a 110v outlet can be provided, but arrangements must be made through the DoubleTree. A form for this purpose will be sent in August with your exhibitor packet. If you have other special considerations, please contact the KHCHA office.

## Business Partners List

By registering as an exhibitor and/or sponsor at our Annual Conference, you will be listed as a 2023 Business Partner. Your business name, logo, address, phone number, website and your product/service description will be listed on the conference event app accessible by all Annual Conference attendees and listed on the KHCHA website available to all KHCHA members. If you register by **June 30**, your business name will also be listed on the Annual Conference registration website as a participating exhibitor.

## 🌀 Tiered Sponsorships 🌀

In response to requests for more opportunities for year-round marketing, we have developed a tiered sponsorship program for our members. In addition to exhibit space, our Gold, Silver and Bronze sponsors will receive different levels of advertising and recognition both at the 2023 Annual Conference and at future educational programs and on the KHCHA website. Full benefits of each tier are outlined on the registration form. We encourage you take a look and register soon—the number of Gold sponsors is limited.

## Workshop Attendance

All registered exhibitors are invited to sit in on any or all of the nearly 20 educational workshops offered at our Annual Conference. Workshop tracks include management, hospice and clinical. Not only is this a great way to learn more about the issues providers are facing, but also one more opportunity to network.
